About Exemplar Health Care

Exemplar Health Care's mission

Our mission is to make *every day better* for the people we support *and* our colleagues.

Exemplar Health Care's vision

Our vision is that adults living with complex needs can access outstanding specialist care and support, in a community-based home that's close to their family and friends, and that's focused on their personal goals and outcomes.

Exemplar Health Care's values

Our values express what it's like to work at Exemplar Health Care and our colleagues should make these a part of everything that they do. We're looking for people whose personal values match our values of:

- Fun
- Integrity
- Responsive
- Success
- Teamwork

Read more about our values [here](#).

Key responsibilities

Clinical Responsibilities

- To be accountable for the implementation of all clinical documentation ensuring that a high standard of record keeping and support planning is maintained with the allocated unit.
- To organise and supervise nursing and care colleagues to safely deliver care promoting at all times the high standards expected by Exemplar Health Care health care.
- Ensure the delivery of an evidenced based service user-focused clinical support service in an efficient, cost effective manner consistent with the overall objectives of Exemplar Health Care Health Care.
- Develop and sustain positive relationships with families, friends and visitors of service users.
- Maintain positive relationships with other professionals visiting the service
- Act as a resource/mentor to junior clinical colleagues in addressing clinical, ethical, workload and other issues as required.
- Ensure that correct accident and incident reporting procedures are followed in line with internal governance procedures and process.
- Assist in creating a positive culture which fosters positive engagement and attitudes in colleagues and effective collaborative relationships with service user.
- Attend and participate in the local governance meetings and ensure that information is disseminated within the unit.
- Demonstrate a comprehensive understanding and working knowledge of the Care Standards Act 2000, as amended by the Health and Social Care Act 2012.
- Demonstrate a comprehensive understanding of the CQC five domains, KLOE framework and particular knowledge of ratings for 'good' and 'outstanding'.
- Recognise the importance of correct staffing levels, to report any shortfalls to the Clinical Nurse Manager/ Registered Home Manager and to assist in the effective cover of the service for short-notice colleagues absence and sickness where other suitable cover cannot be found.
- Maintain a level of clinical competence which enables the post holder to actively participate in discussions relating to care to service users with external and internal professionals.
- The post holder may be expected to work across other Exemplar Health Care sites as the service needs dictate.
- Supervise and provide direct care to all clients.
- Contribute positively to the setting and development of measurable standards of care, relevant to the individual, and participate in the introduction and maintenance of such strategies.
- Provide safe and effective process for the ordering, handling, storage, administration, recording and disposal of drugs.

- Maintain and uphold the NMC Code of Professional Conduct and other NMC professional practices
- Ensure own practice is compliant with regulatory requirements for quality and safety, and to work as an integral part of the colleagues team to ensure the home meets CQC's fundamental standards.
- Be familiar with the Fundamental Standards set out in the Health and Social Care Act 2008, and CQC's expectations for a safe, effective, compassionate, high-quality care service.
- To manage situations where people may present with challenging behaviour and to know when to call for assistance/advice as needed.
- Carry out all other duties as will, from time to time, be directed.

You will be expected to undertake personal care of male and female service users as part of the role which could include washing, dressing, and providing support with toileting and if required continence care, oral care, grooming, use of specific equipment to move a service user safely and supporting service users to eat and drink.

Management responsibilities

- Provide a visible presence on the unit providing ability for colleagues, service users family to raise issues and insights, be listened to and directly responded to in an engaging manner.
- Using a supportive and devolved management approach ensure that nurses are supported to an appropriate level in the development.
- Ensure that clinical practice is developed and delivered by colleagues based on evidence-based research and recognised clinical philosophy, models and frameworks.
- Demonstrate that clinical practice is underpinned by clear clinical theory and based on an eclectic mix of therapeutic tools and intervention strategies.
- Be accountable for ensuring that a programme of meaningful therapeutic activity is being delivered, ensuring that 'every contact counts'.
- Assist with the systems that are in place for professional registration, revalidation, appraisal, continuous professional development, supervision and performance management of clinical teams.
- Assist with the selection, interviewing, and development of colleagues to ensure the right skills and experience mix to meet current service user need.
- Assist to develop, monitor and review clinical policies and procedures.
- Participate in the on-call system which supports the nurse in charge on duty in the event of emergency.
- Participate in the marketing of the home, and assist in maintaining the homes reputation and professional standing.

Resource Management Responsibilities

- Provide cost-effective and safe deployment of manpower resources in accordance with client need within company policy and statutory requirements
- Ensure clinical equipment is maintained and any defect reported to the appropriate person
- Maintain cost-effective controls of all clinical supplies, to include ordering, storage, stock rotation and correct usage

- Work within budgetary guidelines

Essential Skills and Knowledge Required

- The post holder will have a comprehensive knowledge of nursing care and clinical skills and will be able to care for and supervise the care of a service user from admission to discharge.
- Will be able to mentor learners Trainee Nurse Associates and colleagues to ensure that they receive the best possible experience from their employment.
- Adhere to uniform policy at all times.
- Liaise with the management team of the home to ensure proper admission procedures discharge planning.
- Have detailed knowledge of the Mental Capacity Act and work within the code of practice.
- Have detailed knowledge of the Deprivation of Liberty Framework and work within the code of practice.
- Have detailed knowledge of the NMC code and work within it at all times
- Comply with Exemplar Health Care governance framework (EQA).

Qualifications and Training

- First level nursing registration with a valid NMC Pin number.
- Commitment to comply with all planned mandatory & non mandatory training within Exemplar Health Care and to ensure compliance in others.
- Assist with the delivery of “on the job” training commensurate with your role training & experience.
- Identify any training needs yourself or others and source appropriate training.
- Lead the supervision process.

Health and safety

As an employee of Exemplar Health Care Health Care, the post holder has a duty under the Health and Safety at Work Act 1974, to: -

- Take reasonable care of the health and safety of themselves and all other persons who may be affected by their acts or omissions at work.
- Co-operate with their employer to ensure compliance with Health and Safety legislation and the Health and Safety policies and procedures of the service, not intentionally or recklessly interfere with, or misuse, anything provided in the interests of health, safety, or welfare, in pursuance of any of the relevant statutory provisions.
- Recognise the personal right of the service user to positive risk taking in promoting their own recovery, working within identified guidelines.
- Have a general duty to take reasonable care for the health and safety of self and others who may be affected by their acts or omissions at work. All safety rules, regulations and codes of practice relating to the work area should be observed.
- Report all accidents, dangerous occurrences, incidents and hazards in line with company policy.

- Respect confidentiality relating to information gained through employment with the organisation and to ensure information is not disclosed to any unauthorised person/agency.

Safeguarding

Colleagues are required to take responsibility in all areas of work for safeguarding people at risk (both adults and children) from any form of abuse or neglect. When delivering care and support, colleagues are required to comply with the requirements of legislation relating to care in the UK, including the Care Act (2014) and Mental Capacity Act 2005, which incorporates the Deprivation of Liberty Safeguards (DoLS).

To comply with the Exemplar Health Cares' Safeguarding Children and Adults policies, procedures and protocols, all individual colleagues (paid or unpaid) have a duty to safeguard and promote the welfare of children, young people and vulnerable adults.

This will require you to:

- Ensure you are familiar with and comply with local Child Protection Procedures and protocols for promoting and safeguarding the welfare of children and young people.
- Ensure you are familiar and comply with the Local Multi Agency Safeguarding Vulnerable Adults plans and procedures.
- Ensure you are familiar and comply with local protocols and systems for information sharing.
- Know the appropriate contact numbers and required reporting lines.
- Participate in required training and supervision.
- Comply with required professional boundaries and codes of conduct

Data protection

The post holder must at all times respect the confidentiality of information in line with the requirements of the UK Data Protection Act 2018 and the General Data Protection Regulation (GDPR) 2018. This includes, if required to do so, obtain, process and/or use information held on a computer in a fair and lawful way, to hold data only for the specified registered purposes and to use or disclose data only to authorised persons or organisations as instructed.

This job description may be subject to review and appropriate modification. The post holder may be required to undertake other relevant and appropriate duties as reasonably required.

I confirm I have read and understand this Job Description.
